Subject: EPA data for South 4 Group Fire Incident through 11/29/19 at 0600.

Good morning Ahmed and David,

Just a heads up that we are doing a health consult with ATSDR and need to provide our data to them in a format they can use. I expect pdf format isn't the most useable format for them.

If you can pull our data up through 0600 this morning together and provide it to me today, I can get it to ATSDR by noon.

Thanks
